Dear Students and Parents

This year our school will be participating in “*PlanUSA*.” This is a program where we sponsor children from underprivileged countries from around the world. We are sponsoring the following: Roldan Elosoria from The Philippines; Demba Sisse from Guinea Bissau; Yoveline St-Just from Haiti; and Anaiz Karina Quispe from Bolivia. We will be asking students and faculty to contribute 25¢ once a month to support the sponsorship. Our decision to become involved dramatically increases the likelihood that they will experience the childhood they are entitled to – where clean water, proper nutrition, health care and basic education are the rule, not the exception. Our sponsored children’s pictures are displayed in the lobby area at the front entrance of the school.

At Plan, we believe it is every child’s right to grow up healthy, strong, educated and happy. In too many parts of the world, however, children like Roldan, Demba, Yoveline, and Anaiz live in conditions that, for political, environmental or economic reasons, deny them that very right. Through our generous, ongoing sponsorship, you’re helping families and communities to partner with Plan and create a better life for their children. And, like any child, Roldan, Demba, Yoveline, and Anaiz will be anxious to share their interests, hopes, dreams and experiences with us.

Your help in encouraging your child to donate a quarter each month would be greatly appreciated. Thank you so much for helping us sponsor the Plan USA children and making a difference in the lives of children, their families and communities.

Sincerely

*Dr. Michael J. Roberts*
